

Teen SummerZine 2022

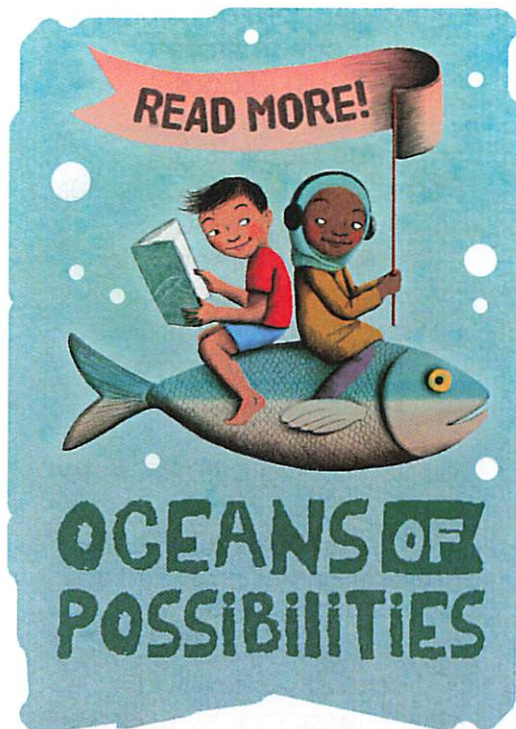

OPEN TO ALL LANCASTER COUNTY TEENS
AGES 12 TO 19
JUNE THROUGH AUGUST
FIRST AND THIRD TUESDAYS
4 TO 5:30PM
VIA ZOOM

Are you ready to take your writing to the next level? Would you like to see your work published alongside award-winning authors? This summer, you'll get to work with three Pennsylvania authors who will offer creative prompts and a real-time look at their writing process via Zoom. Our self-published SummerZine will include poetry, short stories, and essays by Lancaster County teen participants and our guest authors, and it will be catalogued at all libraries in the county. Each participant will receive a FREE copy of the Teen SummerZine!

For more information, or to register for the Teen SummerZine, contact your local library or visit www.lancasterlibraries.org/srp

Thur June 30 @ 10am. Snack-crafting with Kilene Knitter, GIANT Food Stores Nutritionist, provides children w/ basic skills. (Ages 6 & under).

Trees & Forests @ Adamstown Grove-
Fri July 1 @ 10:30am Focus on identification, tree products, forest communities, benefits of trees, and more. Lancaster County Dept. of Parks & Rec. (Ages K-12th)

KooKoo's Cartoon Magic Show @ Adamstown Grove-
Tue July 5 @ 6pm. Interactive comedy, magic, & animation show accented by visual gags and zany sounds. (All Ages)

Author Storytime w/ Kevin Hewitt @ Library-
Wed July 6 @ 10am. Eclectic & colorful cast of hand-drawn characters named Nobody (because they have no body). Kevin will be selling "signed" editions for you to purchase (Ages 2-8)

"Chalk the Walk" Underwater Scenes @ Library-
Sat July 9 Drop-in 9:30-10:30am. Pick a sidewalk square in front of the library to create a beautiful, imaginative underwater adventure. Celebrity judge will award prizes. Chalk is provided (All ages)

Talewise Pirates: Lost at Sea @ Adamstown Grove-
Wed July 13 @ 10am. Ahoy! Set sail with us on a thrilling action-packed adventure. Audience will help us explore the science behind clouds, combustion, air pressure & more through amazing Next Generation Science experiments! (Grades K-5)

It's Crummy: Story of the Railroad Caboose @ Library-
Tue July 19 @ 6:30 pm. We'll talk about why cabooses have become icons of railroading by delving into their history and their purpose (Teen/Adults)

Reptile Explorers: Jesse Rothacker @ Adamstown Grove-
Tue July 26 @ 10am. You'll meet snakes, lizards, turtles, and crocs from around the world! (All ages)

Save, Spend & Share w/ Mid Penn Bank @ Library-
Wed Aug 10 @ 10am. What are you going to do with all those coins in your piggy bank? Join us for fun games, snacks, and activities on Financial Literacy. (Ages 5-10)

End of Summer Reading Cupcake Party @ Library-
Sat Aug 6 (starting 9:30am-till gone). Let's Celebrate all you have accomplished! Return your Summer Reading Log to receive awesome prizes! AND CUPCAKES!!! (All ages)

Columbia Public Library
24 South Sixth Street
Columbia PA 17512
717-684-2255

www.columbiapubliclibrary.org

Summer 2022 at the Columbia Public Library

*****Many of the programs are still outdoors in the gazebo and park this summer, although there are some performing in the school gym. Some outdoor shows *may* relocate to gym if there is extreme heat. Please bring lawn chairs / blankets for your group for outdoor performances*****

Thank you, D.H. Funk, for paying for many of these summer programs!

The Scavenger Hunt is back! Pick up a list of sea creatures at the library. Check the windows of our downtown businesses to find the sea creatures – then write the name of the business next to the critter. Completed hunts receive a free book!

Saturday, June 4: official first day of summer reading!
Also our Summer Book Sale at the library, as we join our friends from Holy Trinity who are also hosting a yard/craft sale.
Visit our book sale and pick up your summer reading log!!

Junior Ranger River Discovery. Gazebo.

Friday, June 17, at 10 AM. Did you know that the Susquehanna River is part of the National Park system? Learn about The Captain John Smith Chesapeake National Historic Trail and how you can become a Junior Ranger this summer! Meet a National Park Ranger and learn why our river is an important place! Hosted by Susquehanna Heritage. Ages 4-14.

Tiny Tales. Library Community Room.

Monday, June 20, at 10 AM. Ages birth to two years old.

Mark DeRose. Gazebo.

Tuesday, June 21, at 10 AM. Sing and dance along with Mark and enjoy life to its fullest! All ages.

Pollinators! With Master Gardeners Mike and Jeanne Cassidy. Gazebo.

Tuesday, June 21, at 11 AM. (Immediately follows Mark DeRose). We'll read a book about pollination and teach everyone how to do the honeybee waggle dance. Each participant will take home a pack of native flower seeds to plant at home. Ages 4 through 11.

Ran'D Shine. Gazebo. Evening Community Show,

Wednesday, June 22, at 6 PM. Everyone who sees this illusionist walks away wondering "How did he do that?" Absolutely amazing fun for kids, teens, and grown-ups! All ages.

Characters and Comics with Keville Bowen. Library Community Room.

Thursday, June 23, at 1:30 PM Come join Keville's fun and easy approach to art and animation. This program is best suited for ages 9 through 14, with a maximum of 15 artists.

Columbia Borough Fire Department. Locust Street Park.

Friday, June 24, at 10 AM. All kids report for duty! Learn the basics of stop/drop/roll and a family escape route. Check out a firefighter in full gear, meet Sparky, and get a chance to sit in the trucks. Ages 4 to 12.

Miss Maggie Sings. Gazebo.

Monday, June 27, at 10:30 AM. Maggie's upbeat music (and her pal Spaghetti-Head Fred) encourage good nutrition and all kinds of healthy habits while having fun! Ages 2 through 12.

"What's Under a Rock" with Sam Lewis Park Ranger Kelly Ford. Library Community Room.

Wednesday, June 29, at 10:30 AM. All kinds of bugs and fascinating things under there! Ages 3 through 5.

"Songs and Stories of the Oceans" with Matthew Dodd. Gazebo. Thursday, June 30, at 10 AM. Both picture books and dance-friendly songs are part of Matt's presentations – he's excited to introduce us to many creatures of the sea! All ages.

Independence Day – library closed. Monday, July 4.

"Workin' On the Railroad" with the Railroad Museum of PA. Gazebo. Wednesday, July 6, at 10 AM. The hands-on approach to learn about rail travel long ago and today! All ages.

Tiny Tales. Library Community Room. Monday, July 11, at 10 AM. Ages birth to two years old.

"Rock Around the Clock" with Servant Stager. Gazebo & Locust Street Park. Tuesday, July 12, at 7 PM. Servant Stage is back – get ready to rock and roll to your favorite hits! This performance has been paid for by the Friends of Lancaster County Public Libraries. Pay what you will, donations accepted. All ages.

"Build a Bug" with Sam Lewis State Park Ranger Kelly Ford. Park School Gym. Wednesday, July 13, at 10 AM. Hear a bug story – then learn the parts of a bug by building your own! Great preparation for Ryan Bridge next week. Ages 5-12.

Pirates! Lost at Sea. Park School Gym. Thursday, July 14, at 10 AM. Ahoy! Set sail with us on a thrilling action-packed adventure about a crew of quirky pirates marooned on a desert island. With mutiny and high-tide looming, they must rescue their salty captain and find a way to repair their ship before all hope is lost! Throughout the story, volunteers from the audience will help us explore the incredible science behind clouds, combustion, air pressure and more through amazing science experiments. Presented by Talewise. Fun for all ages.

"Life In the Water" with Lisa Sanchez, Lancaster County Parks. Gazebo. Friday, July 15, at 10 AM. What is living in our local waterways? You will touch and see live critters that came from a local creek or river. Through microscope use and identification activities, you will learn about the life cycles of each specimen and how to determine the health and quality of the water in which they live. Ages 4 through 14.

Kilene Knitter, Giant Foods Nutritionist. Gazebo. Monday, July 18, at 10 AM. Program in development. Call 717-684-2255 for details. Ages 4-14.

"Ryan Bridge the Bugman". Gazebo. Evening Community Show on Tuesday, July 19, at 6 PM. The bugs are back! Even though an insect's respiratory system does not allow it to survive in saltwater (without being eaten by a fish!), there are plenty of aquatic insects that love FRESH water. Come out and meet them! There will be opportunity to hold live insects for those who choose to. All ages.

Tiny Tales. Library Community Room. Monday, July 25, at 10 AM. Ages birth to two years old.

PreSchool Pals. Library Community Room. Wednesday, July 27, at 10:30 AM. Ages 2-5.

Jesse Rothacker's Reptile Explorers. Gazebo. Evening Community Show on Tuesday, July 27, at 6 PM. Laugh and learn with Jesse Rothacker and his merry band of castaway critters. You'll meet snakes, lizards, turtles, and crocs from around the world, and they'll all be in one place – at your local library – so you won't have to cross the seven seas! Make sure to pick up a free reptile bookmark and check out some reptile books from the library the day of the show!

"I've Got Rhythm" with Tammi Hessen. Park School Gym. Friday, July 29, at 10 AM. Do you have rhythms in your hands? In your feet? In your heart? We believe that there are rhythms to express, join in, and play together inside us and all around us. Come join us to explore your rhythm as we take a trip to West Africa to a village where rhythms are part of everyday living! Please Join Tammi and Jami as we lead you through the how-to of drumming, and the how-to of fun! Drums and fun props provided, you just bring your smiles, hands, and hearts. Ages 4 to 14.

Octavia Lamb. Park School Gym. Monday, August 1, at 10 AM. Harmonica player Olivia Lamb performs an acoustic show for young children highlighting fun and engaging songs spiced with some touching original material. Ages 2 through 12.

Juggler Chris Ivey. Park School Gym. Tuesday, August 2, at 10 AM. He starts with basic juggling balls, but ends with knives, axes, and a sword! Don't try this at home! An exciting show for the entire family. All ages.

Sam Lewis State Park Ranger Kelly Ford. Park School Gym. Wednesday, August 3, at 10 AM. Program is being determined – please call 717-684-2255. Ages 5-12.

Are you Ready to Be a "Pet Parent"? with Tammy Jalbert of the Columbia Animal Shelter and Kelly Skiptunas, Reading Education Assistance Dog Handler. Gym. Thursday, August 4, at 10 AM. Children and animals usually go together like peanut butter and jelly! But owning a pet is a responsibility that you must be prepared to accept. Tammy and Kelly will talk about things you must know and items you must have before becoming a "pet parent". They will also bring along a furry friend or two. Ages 3-13.

Columbia Public Library is hosting a Snapology Summer Camp featuring "Inventors" during the week of August 8-14. Time is 10 AM to noon. There is a limit of 25 children, so please keep checking our calendar page! Ages 7 through 11.

Story Time with Hank: "Germs". Columbia Public Library Community Room.

Wednesday, August 17, at 10:30 AM. Do you know what germs are? Join Hank as learns all about them. He will visit his doctor, learn how to fight germs, and learn how to keep his body strong and healthy! Ages 2 through 6.

Story Time with Hank: "Sensations". Columbia Public Library Community Room.

Wednesday, September 7, at 10:30 AM. Listening to your body is a healthy choice. Swish, crunch, stomp! Discover the language of sensations in this interactive story time with Hank the Health Hero! Ages 2 through 6.

Field Trip to Sahd's Metal Recycling Yard. On site at 1045 Lancaster Avenue, Columbia.

Date and time to be determined – call 717-684-2255. Many metal objects: cans, appliances, even car brakes – can be reused for other purposes, helping to save our planet. Watch the baler bales soda cans into giant blocks. See metal being crushed, welded, and carried on the magnet crane! You must wear closed toed shoes such as sneakers to take this tour. No sandals, flip-flops, or crocs are permitted in the yard. All ages.

ELANCO Library

11 Chestnut Dr.

New Holland 717-354-0525

www.elancolibrary.org

Dive Into Summer! –Sat, June 4 from 10 a.m. - 12 p.m. Dive into Summer! at the ELANCO Library with live music, food, crafts & other fun, special guests & surprises, and a Community Resource Fair, to celebrate the kickoff of Oceans of Possibilities: Summer Reading 2022. For all ages.

Preschool Storytime – Tuesdays at 10:30 a.m. Preschoolers are invited to enjoy themed books, songs, rhymes, or movement activities while building language and literacy skills. For ages 3-6 and siblings.

Teen Tuesday Clubs– Tuesdays from 3 p.m. – 4:30 p.m. Join one of our teen clubs that meet on Tuesdays throughout the month! Each week we will come together to explore one of the following topics: STEM, creative writing, arts and crafts, or book discussions. For ages 12 and up.

Toddler Thursdays – Thursdays at 10:30 a.m. Toddlers will dance, zoom, scoot, and hop between stories selected to promote language development. All adults are expected to participate and encourage the children to join in the fun. For ages 0-3 and siblings.

STEM Saturdays – Sat, June 25th, July 23rd, and August 13th from 10 a.m. – 12 p.m. Families are welcome to drop into the Children's Library any time between 10am and 12pm to enjoy fun STEM Activities with the library's Youth Services Librarian! All ages welcome.

LEGO Creation Club – Thu, June 23rd and Thu, July 14th at 6 p.m. Once a month, we'll build themed creations out of Lego® Bricks that will be displayed in the library. For ages 8+ and siblings.

Oceans of Possibilities with the Center for Aquatic Sciences– Wed, June 8th at 1 p.m. With an "Oceans of Possibilities" there is so much to learn. Patrons will dive into the world of oceans with the Center for Aquatic Sciences, learning about some of the unique creatures that call the ocean home. From Narwhals to horseshoe crabs, this 45-minute program will engage learners of all ages!

Prehistoric Oceans–

Mon, June 13th at 1 p.m. Get in touch with your inner paleontologist! Participants will examine fossils and principles of geology to learn what life was like in ancient oceans. For ages 5 and up.

Lecture: Creatures of the Deep–

Mon, June 13th at 6 p.m. The deepest ocean depths house some of the most fascinating organisms on planet Earth. Join ELANCO library for a short lecture exploring the lives of these creatures and the scientific expeditions that led to their discovery. Ages 10 and up.

Incredible Journey – Wed, June 15th at 11 a.m. This fun activity and craft explore the journey a water droplet takes through the water cycle. For ages 3-6 and siblings.

Notions of Oceans and Things Beyond Compare with Mlanjeni Magical Theater – Thu, June 16th at 1:30 p.m. Expect unusual fun as Mlanjeni Magical Theater offers a form of east African theater which we call "Muungamano." It is one of Africa's interdisciplinary art-forms utilizing acting along with puppets, magical illusions, folk music, and dance in traditional storytelling. The audiences are actively involved in the presentations through call-and-response singing, dancing, and volunteer assistants. Presented by Africa's Ambassador of Fun, storyteller-magician Mlanjeni and son, the Amazing Mr. Q, the shows are a delight.

Sounds of the Ocean: Music and Movement – Wed, June 22nd, July 27th, and August 10th at 10:30 a.m. Sing, dance, play instruments, and chant while exploring the sounds and rhythms of whales, oceans, water, and marine life. For ages 0-6 and siblings.

Ocean Sensory Storytime – Sat, June 25th at 2 p.m. What does the ocean smell like? Feel like? Sound like? Toddlers, parents, and siblings will use their senses to explore ocean themed sensory bins and objects during a special story time. For ages 0-6 and siblings.

Comic Book and Animation Workshop with Keville A. Bowen –
Mon., June 27th at 1:30 p.m. For the last 8 years Keville Bowen has been sharing what he's learned in and out of college at art studios and libraries throughout the Delaware County and Montgomery County area. Come join Keville's fun and easy approach to art and animation. For more information, please visit our website. For ages 10+.

Pollinator Storytime with Penn State Extension's Master Gardeners –
Wed, June 29th at 11 a.m. Celebrate Pollinator Week with Penn State Extension's Master Gardeners as we read aloud children's books with garden & pollinator themes.

H2 Oh! The Water Magic Show! With Magician Mike Rose –
Mon, July 11th at 1:30 p.m. Magician Mike Rose presents a magic show that is not like other magic shows. Mike's new show, "H2-Oh!" is created specifically for libraries and is designed to perfectly complement the 2022 Summer Reading theme "Oceans of possibilities." The show consists of impossible magic tricks and off the wall comedy all themed around water. And the show features lots of audience participation-many children will become part of the show! Throughout the program Mike Rose will be referencing various children's books and promoting library use in a fun and entertaining manner. For families.

Lecture: An Ocean of Plastic –
Mon, July 11th at 6 p.m. Join ELANCO library for a short lecture exploring the impacts of plastic on our oceans, how it got there, and what we can do to preserve our oceans for generations to come. For ages 10+.

Life in the Water with Lancaster County Parks and Recreation –
Fri, July 15th at 1 p.m. What is living in our local waterways? Participants will touch and see live critters and come from a local creek or river. Through microscope use and identification activities, children will learn about the life cycles of each specimen and how to determine the health and quality of the water in which they live. For families.

Pirates: Lost at Sea (A Talewise STEM Program) –
Wed, July 20th at 1:30 p.m. Ahoy! Set sail with us on a thrilling action-packed adventure about a crew of quirky pirates marooned on a desert island. With mutiny and high-tide looming, they must rescue their salty captain and find a way to repair their ship before all hope is lost ... at sea! Throughout the story, volunteers from the audience will help us explore the incredible science behind clouds, combustion, air pressure and more through amazing Next Generation Science experiments! For families.

Shark Dissection – Thu, July 28th at 6 p.m. Curious about shark anatomy? The dogfish shark, a member of the class Chondrichthyes, is a popular dissection specimen in general biology and anatomy courses. It is useful for learning about cartilaginous fish and for studying comparative and vertebrate anatomy. Join us as an ELANCO staff member dissects a dogfish shark specimen in front of a live audience with a Q&A session afterwards. Program is for teens and adults. Registration is required for this program!

Sharks! – Sat, July 30th at 3 p.m. Want to take a bite out of science? Learn fun facts about these jawsome creatures and how they play a crucial role in our ocean's ecosystems! For ages 5+.

Sea Drum Circle – Wed, August 3rd at 2 p.m. Join us for sea themed drum circle fun full of music and rhythm! For ages 6+.

Seashell Painting –
Fri, August 5th at 3 p.m. Use shells as a canvas to create mini masterpieces! Materials will be provided. For all ages 3+

Wonderful Watercolors – Sat, August 6th at 11 a.m. Experiment with watercolors alongside our librarians and create an ocean themed masterpiece! Materials will be provided. For all ages 3+

Phredd: Ukulele One Man Band – Mon, August 8th at 2 p.m. Phredd's performance includes interaction, singing, hand-motions, and creative play. Phredd's songs inspire imagination, creativity, and positive encouragement. Enjoy ukulele strumming, harmonica wailing, suitcase drum kicking, quirky singer-songwriter of unmitigated joy performing original tunes about pirates, electric tricycles, monkeys and more. For families.

Elizabethtown Public Library
10 South Market Street
Elizabethtown PA 17022
717- 367-7467 ext. 223 for Youth Services
www.etownpubliclibrary.org

Event space may be limited. Registration is required unless otherwise noted. Register for programs online, call or stop by the library.

Thursday Family Storytime- Stories, songs & a craft each week. Thurs. June 9, 16, 23 & 30; *no July 7, July 14, 21 & 28; Aug. 4 & 11 at 10:30am (Family) Limit 24, held in Youth Services.

Railroad Museum of Pennsylvania shares Workin' on the Railroad- This interactive program uses unique objects to teach about the jobs of the Conductor, Station Agent, and Engineer. A combination of demonstration, guided activity, historic photographs, and audio will be used during the program. Fri., June 10 at 10:30am *(For ages 8 and up)* Limit 25, held in Lower Level.

Railroad Museum of Pennsylvania shares a Live Steam Demonstration- This interactive program's instructor will use a miniature working steam model to demonstrate the physics of steam locomotion. With the help of historic artifacts, photos, and other visual aids, participants will explore the evolution of locomotion, from steam to electric to diesel-electric. Fri. June 17th at 10:30am *(For ages 8 and up)* Limit 25, held in Lower Level.

Dog Tales with our furry friends from K-Pets- Sign up for a 10 min. timeslot to read and visit with a K-Pets therapy team individually. Bring your own special book to share or choose one from our collection. Held the 3rd Saturday of each month: June 18, July 16 & Aug. 20 for an hour beginning at 10:30am. *(Ages 5 +)* Limit 10 each date, held in Youth Services Turret room.

Railroad Museum of Pennsylvania presents Riding the Rails: 175 Years of Passenger Train Service- This slideshow program shares how, for over 175 years, trains have carried passengers across the American landscape and from the earliest days, Pennsylvania has reigned supreme. Pennsylvania railroads led the way and continue to impact travelers today. Fri. June 24 at 10:30am. *(Teens-Adult)* Limit 30, held in the Lower Level.

Magic School Bus: The Ocean Floor Reader's Theater- Reader's Theater is a fun activity where participants read a script without having to memorize anything with very limited acting out of events. (In this case, students will be "sitting" on the Magic School Bus.) We will retell the story, The Ocean Floor, learning much about the various layers of the ocean in the process. A minimum of 10 children are needed to hold the program; teens/adults are welcome to join us too and may be given a role to read. Tues. June 28 from 1:30-2:30pm *(For ages 7 and up)* Limit 22, held in the Lower Level.

Lancaster County Parks presents Life in the water- What is living in our local waterways? Participants will touch and see live critters that came from a local creek or river. Through microscope use and identification activities, youth will learn about the life cycles of each specimen and how to determine the health and quality of the water in which they live. July 19, 2:30 pm. *(For Tweens and Teens)* Limit 25, held in the Lower Level.

Railroad Museum of Pennsylvania presents Down by the Station: Railroad Stations and Terminals- This slideshow program shows whether grand or small, stations were, and in some cases, continue to be the lifeblood of towns and cities. During the heyday of railroading, stations and the people who worked in them kept the trains running safely and efficiently. Fri. July 22 at 10:30am. (*Teens-Adult*) Limit 30, held in the Lower Level.

The Little Mermaid Reader's Theater- Reader's Theater is a fun activity where participants read a script without having to memorize anything with very limited acting out of events. We will retell the Disney version of The Little Mermaid with music too. A minimum of 10 participants are needed to hold the program. 2 days-Part 1: Tues. July 26 & Part 2: Thurs. July 28 both at 1:30-2:30pm. Participants need to attend BOTH sessions for continuity. (*Tweens and Teens*) Limit 22, held in the Lower Level.

Railroad Museum of Pennsylvania presents It's Crummy: The Story of the Railroad Caboose-

Crummy, hack, cabin car, or caboose-no matter what you call it, this slideshow presentation depicts the colorful and interesting of the caboose. In this lecture, we'll talk about why these cars have become icons of railroading by delving into their history and their purpose. Fri. Aug. 5 at 10:30am. (*Teens-Adult*) Limit 30, held in the Lower Level.

Hands-on House shares Animal Encounters-

Participants will enjoy learning about animals in their natural habitats around the world. Discover what it feels like to be a monkey, bird, or shark. Investigate antlers, blubber, and tusks as they see how a moose, seal and walrus measure up. Wed. June 22 at 11:00am. (*Ages 3-10 yrs.*) Limit 50, held in the Lower Level.

Mlanjeni Nduma and the Amazing Mr. Q present Notions of Oceans and Things Beyond Compare- Mlanjeni Magical Theater offers a performance incorporating acting, puppets, magical illusions, folk music, and dance in traditional storytelling. Tues. June 21 at 10:00am. (*Ages 4-12 yrs.*) Limit 50, held in the Lower Level.

Pollinator Week Storytime with PSU Master Gardeners-

The pollinators, like the bees and butterflies that we all need for food and flowers are in decline and need our help! Join our special guests as they share children's book selections with a garden and pollinator theme. Thurs. June 23 at 10:30am (*Ages 3-7 yrs.*) Limit 20, held in Youth Services.

Keville A. Bowen shares Easy Comic Book Writing-

For the last 8 years Keville Bowen has been sharing what he's learned in and out of college art studios and libraries throughout the area. Come join Keville's fun and easy approach. Thurs. June 23 at 6:30pm (*Ages 10-18*) Limit 15, held in the Lower Level.

Talewise presents a STEM program, Pirates: Lost at Sea- Ahoy! Set sail with us on a thrilling action-packed adventure about a crew of quirky pirates marooned on a desert island. With mutiny and high-tide looming, they must rescue their salty captain and find a way to repair their ship before all hope is lost... at sea! Throughout the story, volunteers from the audience will help us to explore the incredible science behind clouds, combustion, air pressure and more through amazing Next Generation science experiments! Wed. July 13 at 6pm (*For ages K-5*) held in the Lower Level.

Reptile Explorers-

Laugh and learn with Jesse Rothacker (of the Forgotten Friend Reptile Sanctuary) and his merry band of castaway critters. You'll meet snakes, lizards, turtles, and crocs from around the world, and they'll all be in one place- at your local library- so you won't have to cross the Seven Seas! Make sure to pick up a free reptile bookmark and checkout some reptile books from the library the day of the show! Mon. Aug. 1 at 10:00am (*For ages K and up*), held in our Lower Level.

Family Bingo Fun-

Join us for a chance to win your choice of books and prizes from our assortment! 2 dates-Thurs. June 30 beginning at 5:30pm and Sat. July 23 starting at 2pm. (*Family*) held in Youth Services.

H2 Oh! The Water Magic Show! Magician Mike Rose presents a magic show that is not like other magic shows. It consists of impossible magic tricks and off the wall comedy all themed around water. Featuring lots of audience participation-come be part of the show! Mon. July 18 at 10:00am. (*Family*) held in Youth Services.

Swim into the end of Summer Reading on Sat. Aug. 13 from 9am-1pm – It's the final day to turn in those reading logs and gather up your prizes! (*All ages*) held in Youth Services.

Ephrata Public Library

550 South Reading Road

Ephrata 717-738-9291

www.ephratapubliclibrary.org

Mlanjeni Magical Theater: Notions of Oceans and Things Beyond Compare Wed., June 15, 1:30-2:30 p.m. Expect unusual fun as Mlanjeni Magical Theater offers a form of east African theater which we call "Muungamano." It is one of Africa's interdisciplinary art-forms utilizing acting along with puppets, magical illusions, folk music, and dance in traditional storytelling. The audiences are actively involved in the presentations through call-and-response singing, dancing, and volunteer assistants. Presented by Africa's Ambassador of Fun, storyteller-magician Mlanjeni and his son, the Amazing Mr. Q. Ages 4-12.

Summer Reading Carnival Thu., June 16, 4-7 p.m. Come out to the library for some Summer Reading Fun! We'll have games, food, activities, Summer Reading sign-ups, raffles, giveaways and more! We'll end the evening at 6 p.m. with Eddy Ray Magic. Children will witness hilarious antics of his special pet, Richard the Fox. They'll also participate in many of the tricks and even learn a trick themselves! Every magic show is packed full of comedy, audience interaction, amazing magic, and pure FUN! All ages.

Story Time with Monti Mon., June 20, 10-11 a.m. Preschoolers are invited to this story time with Monti, a K-Pet registered dog, and his owner, Jolene. We will read a story about how Monti would like to go to school, and everyone will have the opportunity to interact with and read to this loveable dog! Ages 4-7.

Can You Dig It? Gardening for Tweens Tue., June 21, July 26 & Aug. 9, 4-5 p.m. Participants will use the library garden beds to plant and care for seasonal flowers and vegetable plants. Gardening tips and techniques will be discussed. Ages 10-12.

Mr. Boom Boom's Music Room Wed., June 22, 4-5 p.m. Music Play Patrol will come to the library and help us use our imaginations so that we can explore the depths of the oceans through songs, interactive activities and a musical story about bullying. Ages 2-9.

The Life of Milton Hershey Story Time Thu., June 23, 10-11 a.m. Join us for this special story time with our special guest Stacey Spangenburg from the Milton Hershey School. We'll read "Lives and Times: Milton Hershey," have a fun craft and eat some chocolate! Ages 4-10.

Keville Bowman Comics Workshop Mon., June 27, 4-5 p.m. For the last 8 years, Keville Bowen has been sharing what he's learned in and out of college at art studios and libraries throughout the Delaware County and Montgomery County area. Come join Keville's fun and easy approach to art and animation. Ages 10+.

Pre-K Art Camp Tue., June 28, Wed., June 29 & Thu., June 30, 4:30-5:30 p.m. Introduce your preschooler to famous artists, their works and art materials. Children will get messy as they explore various art mediums. Please dress accordingly. Ages 3-5.

Matthew Dodd's Stories and Songs About the Ocean Wed., June 29, 3-4 p.m. Short non-fiction stories about the ocean will be read during this lively program. Followed by sing-along songs and a group dance party that will excite the entire family! Ages 3-12.

KooKoo, the Cartoon Magician Magic Show Tue., July 5, 1:30-2:30 p.m. See KooKoo the Cartoon Magician's interactive brand of comedy as he presents magic routines as a love letter to the art of animation...accented by visual gags and zany sound effects! Bring the whole family for a unique experience that is as much a CARTOON show as it is a MAGIC show! All ages.

Pirates: Lost at Sea Tue., July 12, 1:30-2:30 p.m. Ahoy! Set sail with us this summer on a thrilling action-packed adventure about a crew of quirky pirates marooned on a desert island. With mutiny and high-tide looming, they must rescue their salty captain and find a way to repair their ship before all hope is lost ... at sea! Throughout the story, volunteers from the audience will help us explore the incredible science behind clouds, combustion, air pressure and more through amazing next generation science experiments — all conducted with help from audience volunteers! Ages 6-12.

Story Time with S.K. Wenger Mon., July 18, 10-11 a.m. Preschoolers are invited to this story time with local author S.K. Wenger. We'll enjoy her book "Chicken Frank, Dinosaur!" Early literacy skills, including letter and sound introduction, are included in each story time. Large and small motor skills are practiced with simple art activities. Ages 4-7.

Cissy & The Man Mon., July 18, 3-4 p.m. Cissy & The Man are Jason and Katherine Horst of Manheim, PA. For them, performing is all about telling a story. Sometimes that story is simply meant to bring smiles and laughter. Regardless, they are always pushing to bring joy and hope into performances in creative and memorable ways by combining the arts of juggling and clowning. All ages.

Reptile Explorers Tue., July 26, 1:30-2:30 p.m. Laugh and learn with Jesse Rothacker and his merry band of castaway critters. You'll meet snakes, lizards, turtles, and crocs from around the world, and they'll all be in one place — at the library — so you won't have to cross the seven seas! Make sure to pick up a free reptile bookmark and check out some reptile books from the library the day of the show! Ages 5+.

Science Factory Circuit Lab Thu., July 28, 3-4 p.m. Kids will learn about electricity and how energy flows while building and experimenting with a variety of circuits from simple to complex. Materials may include circuit boards, snap circuits or paper circuits. Ages 6-12.

Bring the whole family for a unique experience that is as much a CARTOON show as it is a MAGIC show! *The show is appropriate for all ages.*

Raven Ridge Wildlife Center - July 7th 2pm Join us for a fun time with Raven Ridge Wildlife Center, as their ambassador presents on the native PA wildlife, from why they are important for our environment, laws about wildlife and why we have ambassadors. With our ambassadors this gives the audience a chance to see their wild neighbors up close and personal. Like a SKUNK! Who can say they have been face to face with a skunk? *The show is appropriate for all ages.*

Ryan the Bug Man- July 11th 2pm Ryan the Bug Man will cover basic Entomology and the importance of freshwater resources required by insects and humans alike. Everyone can pet the LIVE bugs at the end of the event. *The show is appropriate for all ages.*

Talewise Pirate Adventure: Lost at Sea STEM Program –

July 14th 1:30pm Ahoy there, matey! Set sail with us on a thrilling action-packed adventure about a crew of quirky pirates marooned on a desert island. With mutiny and high-tide looming, they must rescue their salty captain and find a way to repair their ship before all hope is lost ... at sea! Throughout the story, we'll explore the incredible science behind clouds, physical and chemical changes, air pressure, and more! Volunteers from the audience will help us conduct several hands-on science experiments that 'ARRR' sure to amaze you! Don't miss your chance to experience this interactive nautical tale — with a refreshing splash of science! *The show is appropriate for ages 4-12.*

Cissy and The Man-

July 21st 10AM The joy of the circus comes to life when this juggler/clown duo comes barreling through the door. Cissy and The Man delight their audiences with humor, joy and skill. Their show offers a message of love to which everyone can relate. With over 40 years of combined experience, Cissy and The Man use juggling, balancing, clowning and audience participation to keep their viewers smiling and wanting more. Learn more at cissyandtheman.com *The show is appropriate for all ages.*

Junk Journaling-

August 8th 6:00PM What is a Junk Journal? A book made through found and recycled materials to be used to collect and record memories, thoughts, ideas, and inspiration. How does junk journaling work? You are supplied the materials you'll need to create your journal covers and interior page's using special pockets, decorative papers, envelopes, buttons, tape, and stickers—in addition to leaving room to record your thoughts and dreams. What will you use the journal for? That's up to you. The possibilities are endless: recipes, travel log, diary, etc. Pick a theme that's important to you! *This program is for ages 11 -17.*

Critter Connections: Hands on Animal Education-

August 4th 10am This will be a hands-on, educational program featuring a rabbit, two guinea pigs, and a large variety of geckos, a bearded dragon, turtles, insects, and snakes. The children may take turns holding the rabbit and guinea pig on their laps during the entire program. There will be about 25 animals, with a brief fact about each animal and assisting the children and adults in touching and holding them, as Michael answers any questions. Children and adults will enjoy their experience! *The show is appropriate for ages 2-12.*

Country Conjuring Magic: Magical River Camp -

August 9th 6PM Come join us on a Magical adventure as we discover the mysteries of Magical River Camp! Specially designed for the 2022 library summer reading program theme, "Oceans of Possibilities", the show features magical illusions themed around the wildlife and creek-sidecamping life on country waterways, along with an emphasis on the joy of reading. Wonder, laughter, and mystery abound, with plenty of audience participation throughout the show. *The show is appropriate for all ages.*

***Magician Mike Rose: H2 OH! The Water Magic Show!**

Thursday, July 21 at 1pm. Come see impossible magic tricks and off-the-wall comedy all themed around water! (All ages)

***Oceans of Fun!**

Wednesday, July 27 at 6 pm Preschoolers will learn about the ocean and its inhabitants through play and then create their own ocean scenes (Ages 2-6 with caregiver)

***Jesse Rothaker, Reptile Explorers!**

Thursday, July 28 at 10 am Laugh and learn with Jesse Rothacker and his merry band of castaway critters. You'll meet snakes, lizards, turtles, and crocs from around the world, and they'll all be in one place – at your local library! (Ages 5+)

***Mini Drive-In!**

Friday, July 29 at 10 am Your child will create and decorate his own "car" using cardboard boxes and other supplies. Then we'll sit in our "cars" and have a snack while watching a cartoon – just like you would at a real drive-in! (Ages 3-5)

***Hands-on House Presents Animal Encounters!**

Friday, August 5 at 11 am Hands-on House Children's Museum invites children and their families to investigate the mysterious world of animals. Participants will learn about animal habitats, animal adaptations, and animal traits. (Ages 3-10)

***Life in the Water -**

Tuesday, August 9 at 2 pm What's living in our local waterways? Touch and view live critters using microscopes and identification activities. Learn to determine the health and quality of nearby waterways! (Ages 5-17)

***3rd Annual Quarryville Read-a-Thon!**

Saturday, August 20 from 10 am to 5 pm This fundraiser offers many ways to participate. Are you a writer? Do you want to share a passage from your favorite book or poem? Are you a group of friends who feel inspired to perform a short play for others? Would you enjoy being entertained by your fellow Southern-end residents? Do you want to support our Library through the above activities? We will be combining in-person readings with virtual appearances throughout the day! We also offer opportunities for local writers to meet readers! Come to the Library or follow us on Facebook Live. Participants scheduled by appointment – form is available on our event calendar or call to inquire. (All ages)

Strasburg-Heisler Library
