Bookin' around Downtown

Use this sheet to circle books you find around town

Hey neighbors! The Lititz Public Library and Venture Lititz are partnering to bring you Bookin' around Downtown, a community book cover scavenger hunt.

How it works:

- Look for 36 book cover posters displayed in business and community windows throughout downtown. See how many you can find!
- When you spot a poster, snap a picture or jot down the book title. You can also use this sheet to circle the books you find and send us an image of the sheet.
- Email 5 titles/photos you find for a chance to win Lititz Dollars. Submit 10+ for an extra chance to win. info@lititzlibrary.org
