## Fiction

### **The Last Garden in England by Julia Kelly**

A tale of five women in three eras whose lives are tied together by one very special garden.

### **Garden Spells by Sarah Addison Allen**

An enchanted tree that bears special fruit is tended by a group of extraordinary people.

### **The Physic Garden by Catherine Czerkawska**

In the 19th century, a young man working in a surgeon's physic garden falls in love with a needlewoman and befriends a botanist.

### **Susannah's Garden by Debbie Macomber**

Fifty-year-old Susannah Nelson returns to her childhood home and to the garden she has always loved.

### **The Heirloom Garden by Viola Shipman**

A woman who has lost all of her family builds a new family of flowers that keeps the memory of her loved ones alive.

### **The Kew Gardens Girls by Posy Lovell**

Inspired by real events, a touching novel about a new class of courageous women who worked at London's historic Kew Gardens during World War II.

### **The Garden of Happy Endings by Barbara O'Neal**

A community garden in the poorest, roughest part of town becomes a lifeline for two sisters who are going through difficult times.

### **Digging In by Loretta Nyhan**

A woman mourning the loss of her husband turns to gardening for comfort... and turns her entire yard into a vegetable garden.

## More Fiction

### **The Garden of Small Beginnings by Abbi Waxman**

A job assignment of illustrating boutique vegetable guides means getting dirtier than expected and having a new beginning in life.

### **The All You Can Dream Buffet by Barbara O'Neal**

A blogger and foodie queen invites three food blogging friends to her lavender farm in hopes of choosing one of them to inherit it.

### **The Unfinished Garden by Barbara Claypole White**

A software developer demands the help of an unwilling gardener to fulfill his gardening dream.

### **Love in Bloom by Sheila Roberts**

A flower shop owner befriends other gardeners and takes a chance on a relationship with a handsome contractor who frequents her shop.

## Inspirational Fiction

### **Seasons of an Amish Garden by Amy Clipston**

In this collection of four novellas, young Amish couples manage a community garden to raise money for a good cause, harvesting friendships and love along the way.

### **On Hummingbird Wings by Laura Snelling**

On a mission to restore her hypochondriac mother to health, a woman also sets about reviving her mother's wilted garden to its former glory.

## Mysteries

### **The Garden Club Murder by Amy Patricia Meade**

Competition is fierce and deadly at a garden club award luncheon.

### **The Lifeline by Margaret Mayhew**

All is well with the plant-selling business at the manor until a body is found in one of the greenhouses.

### **Murder in the Secret Garden by Ellery Adams**

A group of Medieval Herbalists is keenly interested in a hidden garden filled with deadly plants.

### **Slugfest by Rosemary Harris**

An exhibit manager for a reclusive artist expects a laidback weekend but finds herself facing horticultural sabotage, homicide and beheaded gnomes.

### **A Botanist's Guide to Parties and Poisons by Kate Khavari**

A guest is poisoned at a dinner party at the University College of London, leading to an investigation that involves exploring many greenhouses and gardens.

### **Murder at the Royal Botanic Gardens by Andrea Penrose**

A botanist who has made an important medical discovery collapses at a symposium at the Royal Botanic Gardens, and there are many suspects lurking about.

### **Wreathing Havoc by Julia Henry**

When a beloved theater owner suddenly dies, Lilly Jayne and her Garden Squad must rake through the clues to catch a killer.
