

ADVENTURE — BEGINS AT — YOUR LIBRARY™

2024 Summer Reading Log Public Libraries of Lancaster County

Complete the three sections of this log to earn prizes. Completed logs are due on or before August 10.

Children begin to learn the skills they need to help them read at infancy. This log is designed to explore the five best ways to develop a child's literacy: talking, singing, reading, writing, and playing. Make these activities a daily practice to prepare your child for kindergarten and beyond.

1. Talk, Sing, Read, Write, and Play!

Complete and then color 5 of these activities with your child.

Register for the 1000 Books program or continue reading to reach your goal of 1000 Books.

Paint outdoor (for example, the sidewalk) surfaces using water and a child sized paintbrush.

Use measuring cups and spoons for scooping and stirring water or sand.

Tell a story using puppets or stuffed animals.

Count fingers, toes, eyes and ears.

Read, sing or say a nursery rhyme. Add motions.

Find and name the shapes and colors you see around you.

Point to and sound out the alphabet. Sing the alphabet song.

Sing and make music using pots, pans, or musical instruments.

Build with blocks.

Play match it with household laundry! Whose socks?

Draw together with chalk or crayons.

2. Complete the Path!

Mark a blank box for each book you read aloud to your child. We recommend that you read to your child every day.

Start	→							
Finish	→	36 Books!
