Mark DeRose Music and Art - Summer Reading Kick-off - Saturday, June 6 at 10:00 am Songs, art, and activities encourage young listeners to embrace and enjoy life to its fullest. All ages.

Art of Animation by Ed Klein - Instruction on how to bring your drawings to life. The class will make animation flip books and learn the basics of animation. Ages 6 - 14.

Author Visit - Amanda Rowe will share her children's picture book *If There Never Was a You*. Ages 2 and up.

Be Internet Awesome - Join us for hands-on activities that help children learn how to be smart, alert, strong, kind and brave online. Ages 7-12.

Block Play - Enjoy playing with blocks at the library. Ages 3 and up.

Book Buddies - Hear a story as a group then read with your buddy and make a craft together. Ages 3 and up.

Bravura Brass Concert - Join us for a family concert. All ages.

Bunch of Bubbles - Inclusive play-based experiences kids and families remember! Safe, Joyful, and Serious Fun! All ages.

Canvas Paining Lancaster Creative Factory - An instructor will give guided instruction and students will create. Dress for mess and plan for fun! Ages 8 and up.

Children's Sign Language Class - A fun and interactive way for children to learn Sign Language, enhancing their communication skills and cultural understanding. Participants are encouraged to attend all 4 weeks. Ages 8 - 12.

Critter Connections - If you enjoy holding, touching and learning about fascinating animals that are rarely seen close-up, this program is for you! All ages.

Dino Dig with Field Paleontologists, Mike and Roberta Straka - Audience members will experience the thrill of digging up a real Triceratops dinosaur bone and then help construct a dinosaur on a large cut-out. Ages 6 and up.

Dinosaur Playtime - Explore dinosaurs through interactive play, songs, and books with Amy Moyer. Ages 1 - 2 with a caregiver.

Doc Yoder's Math Magic - Magician and Storyteller, Doc Yoder teaches math magic. Each child will leave with magic tricks to wow their friends and family! Ages 8 and up.

Drum Circle Music for Everyone - Come for percussion fun! Do you like music and rhythm? Expect hands-on participation. Ages 5 - 12.

Duct Tape Craft - Supplies will be provided to make a duct tape craft. Ages 9 and up.

Dungeons & Dragons - Join dungeon master Ethan as you discover the world of D&D! Beginner and experienced players welcome. For teens.

Edison Robots - Edison's robotic capabilities can be unlocked with ease through simple barcode programs. Geared for ages 8 - 12.

Endangered Species - PA Game Commission - Discover endangered species and learn about habitats, threats, and conservation efforts. Ages 5 -12.

Flag Day Storytime with Lititz VFW - Listen to stories about the American flag and make a patriotic craft. Ages 3 - 8.

Giant Mini Chef Creations - Learn about healthy foods and make a healthy snack. Ages 3 - 8.

Go Lancaster - Get Outdoors (GO) and get moving with WellSpan Health and your local Lancaster County Library! Track your GO Lancaster hikes for your chance to earn a grand prize! All ages.

K'NEX Bridge Building Railroad Museum of PA - Use K'NEX building kits to explore the engineering behind railroad bridges. Ages 8 and up.

Lego Club - Lego bricks will be provided to complete Lego challenges. Ages 6 - 10.

Master Gardener Pollinator Program - Enjoy the story *Home is Calling: The Journey of the Monarch Butterfly* by Katherine Pryor. Ages 3 and up.

Mighty Engineers - Whitaker on Wheels - Think like an architect engineer to make a mighty building that holds up to earthquakes! Ages 6 - 12.

Paws to Read - Children practice their read-aloud skills by reading their favorite stories to therapy-trained dogs. All ages.

Reading with Raphie the Mini Horse Storytime - a family-friendly event featuring Raphie, a gentle mini therapy horse, along with a few beloved horse-themed children's books and plenty of time to simply enjoy being together. All ages.

Revolutionary War for Kids - Sam Leamer, a historian and re-enactor, offers programs that bring the sights and sounds of 18th century America to life. Ages 8 and up.

Robotics with Arts and Crafts - This arts and crafts program combines creativity with engineering as participants explore basic robotics through hands-on projects. It is led by FIRST Tech Challenge Team 25650, an all-girls robotics team. Girls are especially encouraged to participate! Ages 10-14

The Science of Fossils by Lancaster County Parks - Join a Naturalist to read *Fossils Tell Stories* by Yu-ri Kim. Participants will learn to identify fossils with a set of clues, handle real specimens and make their own to take home. This class can get messy so wear appropriate clothing. Ages 3 and up.

Snap Circuit Exploration - Students will learn about electricity and how energy flows while building and experimenting with a variety of circuits from simple to complex. Ages 8 - 12.

Steelpan Workshop - Music for Everyone - Steelpan performance, history lesson and hands on workshop experience. Age 6 - 16.

Teen Summer Zine - Teens will learn from local arts professionals while creating their own hand-made publications that can include comics, fan art and fan fiction, poetry, collage, and illustrations. All art and writing materials will be provided, along with snacks! Ages 12-19.

Ukulele Uprising - This children's concert is open to families. All ages.

Wacky Wednesday - Hear a story and explore hands-on stations. All ages.

Zoo America - Learn more about North American burrowing animals, their habitats, and all things wild! Enjoy an exciting presentation that includes our ambassador animals. Ages 5 and up.
